

## Professional Development Group

We are running a small Professional Development Group on Wednesday evenings in Birmingham, for a maximum of thirteen participants in a closed group, meeting for 10 sessions throughout the year.

Working as a therapist can be an isolating experience, and the group resources enjoyed when training, are seemingly unavailable. The feedback from many graduates and from our own experience, has culminated in us offering a facilitated closed professional group for graduates. This group will consist of no more than 13 people. The advantages of these groups will be CPD which will offer a significant proportion of the re registration and re

accreditation requirements for professional bodies, supervisory support, personal work and personal/professional development, peer relationships and networking, and group lead specific training issues.

If this group interests you then do make contact with us, we will be delighted to hear from you via: [pipstraining@gmail.com](mailto:pipstraining@gmail.com)
